

Heard the buzz? People will be making a bee-line for

plus the World Championships 2001

15 - 17th November 2001 at Kensington Town Hall, London W8 7N

(Horton Street, opposite High Street Kensington Underground)

We could wax eloquent, drone on about how we have combed the country for the very best in products and processes, but come and see this hive of industry for yourselves! On offer will be :-

-  displays of honey, candles, confectionery and all hive products
-  trophies and cash prizes for a variety of sector competitions
-  lectures by top specialists
-  childrens entertainment - pantomime, cartoons, song and dance
-  meet the costume character Buzzbee
-  a host of stalls promoting the best in a range of bee-related products
-  the latest in inventions/product development
