Our Speakers for the day

David Charles

It is always a pleasure to be able to introduce new speakers to our Conference and we hope that David enjoys his first visit to us. A beekeeper for over thirty-five years he has been both President & Chairman of the British Beekeepers' Association.

John Pollard

This is also John's first time with us and it is a pleasure to be able to welcome him to our Conference. John has been a beekeeper for over thirty years and is a keen supporter of BIBBA in its aims and objectives.

David Aston

David is no stranger to the majority of us; he has been a member of the BBKA Examinations Board and is an expert in both the theory and practical side of the craft. He is particularly interested in the biological aspects of beekeeping.

Other attractions on the day

Holderness Bee Supplies

Doug and Shirley will be manning a stand of beekeeping supplies in readiness for the start of the season

Northern Bee Books

A variety of the latest beekeeping publications will be on sale.

National Bee Unit

An information stand will be available together with David Kemp, Regional Bee Inspector (North East) to answer questions.
